Help for today – Hope for tomorrow

BIADS

BIADS is a new organisation formed by Barnsley people to provide support to those who have any form of dementia and their families and friends.

Since we are an independent group serving the Metropolitan Borough of Barnsley we can guarantee that all funds raised and donations received will be used here in Barnsley.

What does BIADS do?

We are in the process of setting up which entails applying for funds and starting to organise fundraising events.

As soon as we are able we will begin to provide support to those affected by dementia through information, support and social opportunities.

As our database of members grows we will be asking them what kind of help they want to ensure we provide exactly what the people of Barnsley need.

How you can help?

- You can make a one-off donation
- You can make a regular donation
- You can offer your time and expertise;
- You can become a member, please get in touch for a membership form
- You can help publicise our group
- Join our everyone's a winner draw

The BIADS Logo

We have chosen the 'tree of hearts' to symbolise the ethos of our organisation.

The trunk of the tree represents BIADS with our roots firmly in the Barnsley community.

The hearts represent those people who have dementia and those who love and care for them.

The branches are the services that BIADS offer - reaching out to support those affected by dementia in Barnsley.

Benefits of BIADS membership

- The satisfaction of knowing you are helping a local organisation support local people affected by dementia
- Copies of our newsletter three times a year
- Voting rights at AGMs
- Opportunities to receive our support and services
- Helping the group through a range of volunteering opportunities
